Purpose of Form

Complete Form 941-V if you're paying your balance due on Form 941 by check or money order. We will use the completed voucher to credit your payment more promptly and accurately, and to improve our service to you.

Making Payments With Form 941

To avoid a penalty, make your payment with Form 941 **only if**:

- Your total taxes after adjustments and nonrefundable credits (Form 941, line 12) for either the current quarter or the preceding quarter are less than \$2,500, you didn't incur a \$100,000 next-day deposit obligation during the current quarter, and you're paying in full with a timely filed return; or
- You're a monthly schedule depositor making a payment in accordance with the accuracy of deposits rule. See section 11 of Pub. 15 for details. In this case, the amount of your payment may be \$2,500 or more.

Otherwise, you must make deposits by electronic funds transfer (EFT). An EFT can be made using the Electronic Federal Tax Payment System (EFTPS), IRS Direct Pay, or your IRS business tax account. Don't use Form 941-V to make federal tax deposits. You can also pay your balance due by EFT instead of sending Form 941-V. If you pay your balance due by EFT, file your return using the *Without a payment* address under *Where Should You File?* in the Instructions for Form 941; don't file Form 941-V. For more information about EFTPS or to enroll in EFTPS, go to www.eftps.gov. For more information about IRS Direct Pay, go to www.irs.gov/DirectPay. For more information about making an EFT through your IRS business tax account, go to www.irs.gov/BusinessAccount. See section 11 of Pub. 15 for deposit instructions. Don't use Form 941-V to make federal tax deposits.

Use Form 941-V if you're paying your balance due on Form 941 by check or money order. However, if you pay an amount with Form 941 that should've been deposited, you may be subject to a penalty. See Deposit Penalties in section 11 of Pub. 15.
